An engineering, science and technology university

FE EXAM REIMBURSEMENT

INVEST IN YOUR FUTURE. WE'VE GOT YOUR BACK.

WHY TAKE THE FE EXAM?

LAUNCH YOUR CAREER

Shows employers your commitment and technical knowledge.

KEEP YOUR OPTIONS OPEN

It's the first step toward Professional Engineer (P.E.) licensure.

STAND OUT

Employers value candidates who are on the path to licensure.

BUILD WHAT'S NEXT

A licensed future gives you more opportunities and greater impact.

We'll Reimburse Your FE Exam Fee!

WHO IS ELIGIBLE?

Current students only, regardless of class standing. Students who graduate during the exam window can still submit for reimbursement even if they take the exam after graduation, provided they take and pass the exam and submit all required information by September 1, 2027.

WHAT IS REIMBURSED?

The full FE exam fee.

ATTEMPTS

No limit to the number of attempts, but we only reimburse the passing attempt.

EXAM WINDOW

You can take and pass the FE exam from now through September 1, 2027.

REIMBURSEMENT

Reimbursement will be by check. Provide a mailing address if you would like the check mailed.
